

**You are invited to take part in creating an artistic record of Port Hope’s heritage and to share your vision of our future!**

In celebration of Canada’s Sesquicentennial and Port Hope Heritage, Critical Mass will be hosting a series of **FREE HANDS-ON PRINTMAKING WORKSHOPS!**

Each workshop will be led by a professional artist/printmaker. You will be taught how to make a linocut print, and will create a design inspired by Port Hope’s heritage or by your wildest imaginings for Canada’s future in the next 50 to 100 years.

Your designs will be included in a giant printed ‘Port Hope Heritage Quilt’, pressed on the street by a steamroller at our printmaking festival Sep 23 & 24, and displayed in public exhibitions around town in October and November!

**Adults:**  
 Thursday, May 11  
 10:30am – 12:30pm  
 Green Wood Coalition  
 Artist: Jeff Macklin
